# 35 LITRE ELITE BARREL

Ayva's Elite barrel range is made from impact resistant polypropylene specially formulated for high performance industrial and food grade products. Our range can be decorated in full colour graphics using In Mould Labelling (IML) technology, providing competitive branding to attract customers in your targeted market. Our barrels are nestable when empty and stackable when full, promoting easy storage solutions. The full diameter opening and screw on lid allows ease of opening and resealing. With moulded inside handles plus an integrated handle on the lid, our barrels are designed for easy handling.
