20 LITRE LIQUIDS DRUM

AYVA's innovative Liquids Drum has been designed to improve the overall user experience - from reducing space requirements before filling, through to ease of pouring and stacking, to lid removal, disposal and recycling. With full wrap In-Mould Labelling (IML) covering the entire printable surface, shelf presentation has never been better!

Features

- Heavy duty foldable carry handle for effortless handling
- Optional anti plug pouring device for seamless pouring
- Removable lid allows for second life use and efficient recycling
- Superior strength & durability with excellent drop test performance
- Full cover In-Mould Labelling (IML) for superior shelf presence
- Optional piercable 20mm threaded opening and bung

- ← Optional Pull Up Pourer
- ← Optional 56mm screw cap
- ← Double lock lid for additional security
- ← Nestable when empty, reducing space requirements by up to 5x
- ← Easy run-off lid prevents build up of water or contaminants and can be easily cleaned
- ← Significantly reduces cost of disposal for the end user
