Ø117mm/300ml FOIL-SEAL TUB

SMALL IN SIZE, BIG ON POSSIBILITIES.

Made in Australia from high-quality polypropylene (PP), Ayva's Foil-Seal Tubs combine robust packaging performance with advanced In-Mould Labelling (IML) technology. Tubs and lids can be customised with high-impact, full-colour graphics for a durable, premium finish with strong brand presence.

Suitable for yoghurt, dips, sauces, desserts and a broad range of food applications, the Foil-Seal Tub Range supports product freshness, reliable performance and strong shelf appeal to help elevate brand presentation and market impact.

Overcap lid (optional) →

Provides convenient reclosure after opening while supporting secure stacking and storage.

Foil-seal and →

plastic-seal compatible
Preserve freshness before opening.

Food-grade material →

Made from food-grade polypropylene, suitable for direct food contact across a wide range of applications.

*The 300ml Foil-Seal Tub offers optional base labelling in addition to the sidewall label, providing extra space for branding or product information.

300ml Foil-Seal Tub pictured with Ø117mm Overcap Lid.

← Premium In-Mould Labelling

High-quality IML graphics are moulded into the packaging for a durable, integrated finish. Available in clear, white or metallic film.

← Less material. Smart construction.

Strong, thin-wall construction delivers reliable performance using less plastic, reducing packaging weight and improving material efficiency.

AYVA FOIL-SEAL TUB RANGE

Speak with your account manager for updates on our ever growing Foil-Seal Tub size range.

AYVA PRODUCT RANGE

Made in Australia, Ayva packaging combines precision engineered performance with premium presentation, delivering outstanding shelf presence. Our versatile range is designed for food and industrial applications, protecting your products while showcasing your brand.

Standout on the shelf with Ayva's In-Mould Labelling.

Custom, full colour labels fuse seamlessly with the plastic during moulding, creating a vibrant, impenetrable finish that becomes part of the packaging.
